

VLADISLAV VODOLEEV

vodoleev.vladislav@gmail.com • <https://www.linkedin.com/in/vladislav-vodoleev/> • Moscow, Russia

Frontend Web Developer with 1.5+ years of experience.

I enjoy developing solutions for visual and logical problems, am passionate about software development and learning new technologies.

I am also a former PLC Software Engineer with 3 years of experience and a Linux enthusiast.

Open to new opportunities, remote work and relocation.
